

**Carbon steel**  
**Stainless steel**  
**Aluminum**

**Fabrication**

- CNC plasma and flame cutting
- CNC press brake 300 ton x 20'
- Plate shear 3/4" x 12'
- Sawing 16" x 20"
- Welds certified to AWS D-1.1

**Machining**

- CNC high accuracy turning center  
24"/14.5" x 34"
- CNC Machining center,  
X=84", Y=32"
- CNC 4" horizontal boring mill,  
82" x 64" x 48"
- Keyway broach up to 3" x 24"
- Heat treating and stress relieving
- Machined monolithic structures

**Contract Product Manufacturing**

- Electrical- Sandblasting
- Assembly - Painting
- Finishing

---

**Designers, Engineers, and Manufacturers  
of Metal Fabricated Products**
